Week Commencing ~ 29<sup>th</sup> January 2007 ~ Issue #882

**SINGLES.** Who doesn't love a power rock ballad?! Hinder's breakthrough single, *Lips Of An Angel* becomes the first single release of the year to debut at #1. Meanwhile, yummy-mummy, Nelly Furtado continues her onslaught as *Say It Right* moves from #4 to #2 this week, closely followed by Akon's *Smack That* at #3. Last week's #1, *Light Surrounding You*, by NZ's Evermore trio slides down to #4, while local favourites, Shannon Noll and Natalie Bassingthwaite remain stationed at #5 with *Don't Give Up*. Exciting news for fans of The Fray as the lads enter the Top Ten for the first time with *How To Save A Life* at #10

**No.1 LIPS OF AN ANGEL - Hinder.** Hailing from Oklahoma City, Hinder certainly know how to make an entrance as they make their rocky debut at #1 this week! The band formed in 2002, when Joe Garvey (Guitar) and Cody Hanson (Drums) were blown away by the charisma and uniqueness of ex-cover band singer, Austin Winkler. Since then, Hinder have recruited two additional members and have wowed listeners with their post-grunge style. The band cites the power-house rockers, Guns & Roses are one of their many influences.

**No.16 THIS AIN'T A SCENE, IT'S AN ARMS RACE - Fall Out Boy.** Chicago based pop-punk quartet, Fall Out Boy have emerged as one of the hottest emo/alternative rock bands to look out for since crashing onto the scene in 2001. The band has employed a rather unorthodox division of song-writing where lead singer, Patrick Stump composes the band's music, while bassist, Pete Wentz writes the band's lyrics. Whatever the case, it's evident that listeners love what they are hearing! The lads are in hot demand as they continue to tour with some of the biggest bands on the pop/punk circuit, including Panic! At The Disco and The All-American Rejects. In 2006, Fall Out Boy was nominated for *Best New Artist* at last year's Grammy Awards. *This Ain't A Scene, It's An Arms Race* is the band's debut on the chart.

**No.25 BONES - The Killers.** We can't seem to get enough of The Killers! Since making their stunning debut in 2004 with *Somebody Told Me* (#17 Sept. '04), The Killers have remained at the top of their game. *Bones* follows the success of *When You Were Young* (#10 Oct. '06) and becomes the second single released from their chart topping sophomore album, *Sam's Town*, which is currently sitting at #6 on the ARIA Album Chart. Best known for his off-beat and quirky style, the *Bones* film clip was directed by Tim Burton (*The Nightmare Before Christmas* and *Mars Attacks!*).

**No.31 LYING IS THE MOST FUN A GIRL CAN HAVE WITHOUT TAKING HER CLOTHES OFF - Panic! At The Disco.** Hailing from the so-called "City Of Sin" - Las Vegas, Panic! At The Disco are making waves in the music scene. They made their debut with, *I Write Sins Not Tragedies*, the track catapulted the band to the lime light and peaked at #12 on the ARIA Singles Chart back in August last year. The track went on to win the band an award for Video Of The Year at the MTV Music Video Awards last year. Fun Fact! The title of their current track, *Lying Is The Most Fun A Girl Can Have Without Taking Her Clothes Off* is a line taken from the movie *Closer*, said by Natalie Portman.

**No.39 YEAH YEAH - Bodyrox Feat. Luciana.** Bodyrox is a collaboration project of UK DJ/producer Jon Pearn from dance outfit Full Intention, who brought you one of 2001's biggest dance tracks, *I'll Be Waiting*. Along with Nick Bridges and guest vocalist Luciana singing she would like to "teach you a thing or two!". *Yeah Yeah* has become quite an anthem across the globe already topping Spain's chart and coming in at #2 on the UK chart. Bodyrox have already graced the ARIA Club Chart, peaking at #5 recently. *Yeah Yeah* is certainly set to blow your speakers!

**No.47 WHEN YOUR HEART STOPS BEATING - +44.** After the demise of Blink 182, former band members Travis Barker and Mark Hoppus come together again to form +44, with Shane Gallagher and former Transplants touring guitarist, Craig Fairbaugh in tow. Barker and Hoppus decided on the name +44 as it is the international dialing code for the UK and this is where they first discussed their new venture. *When Your Heart Stops Beating* is the first single to be released off their debut album of the same title. The album was released late last year and peaked at #22 in November.

**No.48 LOVE ME OR HATE ME - Lady Sovereign.** Born Louise Amanda Harman, this 21 year old UK Grime MC is certainly not one to take any prisoners! Having being expelled from high school at the tender age of 16, by the time Lady Sovereign turned 17, she was one of few white female MCs getting around the UK. In 2005 she auditioned for Def Jam head honchos, Jay-Z and Antonio "L.A." Reid. After the successful audition, Lady Sovereign became the first non-American female rapper to be signed to the Def Jam label. The *Love Me Or Hate Me* harmony incorporates song references from the Genesis track, *I Can't Dance*. This is Lady Sovereign's debut to the ARIA Singles chart.

**No.68 BODIES - Little Birdy.** The four piece from Perth was formed in 2002 by lead singer, Katy Steele, who is accompanied by Simon Leach (guitar) Scott O'Donoghue (bass) and Matt Chequer (drums). The band took their name from a Ween track of the same title. Before making their chart debut, a demo of the band's tracks was leaked to alternative radio stations and by the following year Little Birdy had released their first EP. The tracks listed included LB favourites, *Relapse*, *Baby Blue* and *Too Late*. The band's self titled EP peaked at #27 in October '03. Little Birdy have since toured with the likes of R.E.M., Placebo and, Morcheeba as well as scoring themselves five ARIA Award nominations.

**No.76 THE PARTY'S JUST BEGUN - The Cheetah Girls.** The Cheetah Girls began as a bestselling book series and later turned into a movie, which garnered phenomenal success through the release of the film's soundtrack. The Cheetah Girls are Galleria Garibaldi (Raven-Symoné), Chanel Simmons (Adrienne Bailon), Dorinda Thomas (Sabrina Bryan) and Aquanetta Walker (Kiely Williams). *The Party's Just Begun* is taken from *The Cheetah Girls 2* soundtrack which was primarily filmed in Spain. Did you know that the film was produced by starring Cheetah - Raven-Symoné and Whitney Houston?

**ALBUMS.** It took the Snow Patrol lads quite some time (eight months in fact!) to reach the top of the chart and now they refuse to budge as *Eyes Open* claims the coveted #1 spot again this week. Meanwhile P!nk and Damien Leith switch places from last week, with *I'm Not Dead* at #2 and *The Winner's Journey* settling for the #3 spot. *The Happy Feet Soundtrack* continues to make a splash as it moves from #6 to #4. Exciting news for fans of indie-lock sensation, The Shins as their latest offering, *Wincing The Night Away* makes its impressive debut at #5! Meanwhile, pop-poster boy, Justin Timberlake re-enters the Top Ten with *Future Sex/Love Sounds* moving from #12 to #10. The rest of this week's lucky ten continue to fight it out amongst themselves, including home-grown rockers, Eskimo Joe with *Black Fingernails*, *Red Wine* clinging on at #9, marking its twenty-eighth week in the Top Ten!

**No.5 WINCING THE NIGHT AWAY - The Shins.** American indie-rock quintet, The Shins make their smashing debut on the chart with their latest offering, *Wincing The Night Away*. The story of The Shins emerged a decade ago, where band members James Mercer (vocals/guitar) and Jesse Sandoval (drums) started the band as a side project, while they were members in another musical outfit called, Flake. Two years later after Flake disbanded, its former members recruited a fresh line-up of band members and released *Oh, Inverted World* and *Chutes Too Narrow*, which both failed to hit the chart in spite of much critical acclaim. Now the secret of The Shins is out and everyone wants a piece!

**No.50 HIP HOP IS DEAD - Nas.** Born Nasir-Bin Olu Dara Jones, Nas has been a forced to be reckoned with since emerging on the hip-hop circuit in 1994. Nas' debut album, *Illmatic* was released with much critical acclaim and is still widely regarded as one of the best hip-hop albums of all time. The New York rapper has blazed our charts with previous releases, including *I Am...* *The Autobiography* (#77 Apr. '99) and *God's Son* (#57 Jan. '03). *Hip Hop Is Dead* is Nas' ninth studio release and is the rapper's highest chart position to date, which proves hip-hop, is very much alive and kicking in spite of the album's title. In January, 2005, the golden son of hip-hop married RnB star, Kelis.

#1 Single this week
